Subject: Withdrawal of Notice of Intention to Commence Small Mining Operations, Bert Thomas Clark, Page Claims/Hill Top Mine, S0450071, Tooele County, Utah

Dear Mr. Clark:

Pursuant to UCA 40-8-16(b) and R647-3-111.1.11, effective immediately, the acceptance of your Notice of Intention to Conduct Small Mining Operations for the Page Claims/Hill Top Mine (S0450071) is withdrawn. You no longer have authority to conduct mining related activities or removal of product from the site.

The Division is taking this action at this time, since you have failed to provide the required reclamation surety for this site and you have not remitted the required annual permit fee. This action does not negate any obligation you may currently have for abating outstanding violations, or payment of assessed civil penalties for violations or cessation orders.

As per UCA 40-8-16(3) and R647-3-111.1.11, you have a right to appeal this Notice of Agency Action and request a formal hearing on the matter. To do so, you must file a written request to appeal within 15 days of your receipt of this notice. Contact Julie Ann Carter, Administrative Secretary, at (801) 538-5277, if you wish to exercise your right to appeal this decision before the Board of Oil, Gas and Mining. She can provide you with appropriate guidance and assistance in preparing your formal Hearing request. Your failure to file such a request may preclude you from further participation, appeal, or judicial review with regard to this action. If you choose not to appeal this proposed Notice of Agency Action, the Division's decision will become final.

If you have any questions regarding this Notice you may contact me at (801) 538-5320, or Paul Baker at (801) 538-5261.

Sincerely,

Dana Dean, P.E.
Associate Director, Mining
